Norwich High School

Norwich, Kansas

This is a school year that will no doubt be long remembered by most of us. This is our last year as Norwich Rural High School District #4 and Norwich Grade School Jt. District #21. We become a part of Unified School District #331 as of July 1, 1966.

I wish to thank everyone for the fine co-operation given our school. The Board of Education of both Rural High School, District #4 and Joint #21 are to be commended for the many hours of hard work they have so freely given. The teachers, secretary, custodians, cafeteria help, bus drivers, and anyone in any way connected with our school such as students and parents, are given my sincere thanks in helping keep Norwich as an attendance center by their co-operation.
